FURNITURE

PRODUCTS & DESIGN

About Vico,

With over 20 years experience in manufacturing, now VICO is a professional provider to the furniture industry, benefiting from the combination of modern technology and traditional craftsmen, and the research achievement of material, VICO always create high-quality and unique products, including design chairs, dining chairs, office chairs, wooden chairs, tables.

Our mission is simple: to provide value-driven product, focus on the quality & design, constant innovation and total customer satisfaction.

Design

Design is everywhere, it's not only about the appearance of products, but also the structure, surface treatment, seating experience, packages, accessories and details. A good design can make products remained popular for years, and make it delivered everywhere over the world.

Quality

We produce the products with ingenuity, take care of every single chair seriously, make sure they will be delivered all in best condition.

Service

We find solutions for our customers, we provide market consulting, stable supply and after sales service, and we create partnership all over the world.

Qualified Factory,

We own a manufacturing facility that specializes in producing high-quality furniture products. it has a large production facility that spans over 20,000 square feet and is equipped with state-of-the-art machinery.

The factory's team is made up of skilled and experienced professionals who are dedicated to producing products that meet the highest standards of quality. They are trained in the latest manufacturing techniques and use only the best materials to ensure that each product meets or exceeds industry standards.

it is a certified facility that has a variety of industry qualifications, including ,BSCI, FSC. These certifications demonstrate the company's commitment to quality, safety, and environmental sustainability.

We prioritize innovation and are always exploring new materials and design techniques to stay ahead of the curve. Our manufacturing processes are highly efficient, which leads to cost savings that we pass on to our customers.

We are also committed to being environmentally responsible, and we employ sustainable practices throughout our supply chain. Our products are built to last, which also promotes sustainability by reducing waste.

We are constantly listening to our customers and adapting to their evolving needs by incorporating their feedback into our designs. We take pride in ensuring our furniture is not just functional and durable, but also stylish and aesthetically pleasing.

Simplicity, Ingenuity.

Vico is characterized by its exquisite craftsmanship, meticulous attention to detail, rigorous production and technique, and commitment to providing high-quality products. Every step of the manufacturing process is approached with care and precision, from selecting the finest materials to crafting each piece with expert skill. The result is furniture of exceptional quality and beauty, crafted with pride and passion.

Customers can trust in the factory's commitment to excellence and rely on its products to meet the highest standards in the industry.

A chair, according to designer, “is the piece of furniture that we are most intimate with, the most human of objects, it is highly demanding in terms of structure, ergonomics, comfort, use and abuse, it should be super strong, but at the same time elegant and efficient, simple as well as sophisticated and sculptural.”

A good chair can be used for years, make home glow and pretty. chairs can change shape, color and finish rooms as time passes, but what remains important is that they must be comfortable.
